Growth (KWRSS)	Growing in Christ to Close to Christ		
Course Objective	Participants to discover the importance of prayer, pick up the habit of starting their prayer with adoration, and understand the principles of intercessory prayer.		
Target Audience	Christians who know little about prayer and those who want to grow in the fundamentals of prayer.		
Synopsis	"Lord, teach us to pray" (Luke 11:1) was one of the greatest requests the disciples asked of Jesus. These men would go on to have extraordinary prayer lives. They would intercede until buildings shook. They would deliver Peter from a high-security jail by the power of prayer. They would heal the sick and raise the dead through prayer. Some would pray for their torturers at the very point of death. But they had to start by being students of prayer, which began the day they asked this simple, touchingly vulnerable request: "Lord, teach us to pray." And so, of course He did.  You can experience that same power in prayer too! Whether you're a new believer who knows nothing about prayer, or a seasoned Christian desiring to grow in the fundamentals of prayer, this course can help you connect with God at a level you never thought was possible. Join us as we take a 5-week journey through the Lord's Prayer. We will unpack the importance of prayer, discover the delight of adoration, experience the power of intercession, and most importantly, be given the opportunity to put all of that into practice.
